Establishment of bus routes to schools outside the Inner City North district

Dear parents and guardians,

Unfortunately, you have today received a rejection from your preferred elementary school. This year, some families have not been able to get their preferred school because the elementary schools in Nordstadt do not have enough places for all children.

If you are unable to find another school place for your child yourself, please contact the Dienstleistungszentrum Bildung from January 20, 2026.

You can reach the Dienstleistungszentrum Bildung:

By email at einschulung@stadtdo.de

By phone at 0231/50-25760 during the following office hours:

Tuesday to Thursday 9:00 a.m. to 12:00 p.m. and 1:00 p.m. to 4:00 p.m., Friday 9:00 a.m. to 12:00 p.m.

In this case, we will help you find a school place; the alternative school may also be located outside the Nordstadt district. As this will make the journey to school longer, we will arrange school buses in this case. You do not need to worry that your child will not get a place at school.
