Übersichtstafel M. 1: 5 000

Figure 1. Aerial photograph of a city street intersection with a proposed transit station highlighted in yellow.

This aerial photograph shows a city street intersection. A red circle highlights a specific location on the street, indicating the proposed site for a transit station. The surrounding area includes buildings, parking lots, and other urban infrastructure.

An aerial photograph showing a road intersection. A vehicle is visible on the road, labeled with the text "L 657".
