Coronavirus infections can lead to severe disease progression, long-term illness and death. Getting vaccinated for COVID-19 does not only mean that you protect yourself against the coronavirus. It also helps to prevent hospital overload and reduce the spread of the COVID-19 disease.

We, i.e. the Vaccination Centre Phoenix-West (City of Dortmund and KVWL), therefore offer separate vaccination opportunities with the Johnson & Johnson vaccine:

**MOBILE VACCINATION SERVICES**
Jobcentre
Kampstraße 49, 44137 Dortmund (at its premises)

- 14 September 2021 from 8 am to 4 pm
- 15 September 2021 from 8 am to 4 pm
